

At Engle Dentistry, we are committed to providing high-quality dental care and ensuring the satisfaction of our patients. Please take note of the following policy regarding refunds for completed and accepted dental treatment:

1. **No Refunds on Completed and Accepted Treatment:**

Once a dental treatment has been completed and accepted by the patient, no refunds will be provided. It is the responsibility of the patient to communicate any concerns or dissatisfaction with the treatment at the time of completion. By accepting and acknowledging the completion of treatment, the patient agrees that the services have been provided to their satisfaction.

2. **Post-Treatment Adjustments:**

If a patient experiences issues or concerns with the treatment after completion, we are committed to addressing these concerns. Post-treatment adjustments may be offered at the discretion of the dentist if recommended, but such adjustments do not constitute grounds for a refund.

3. **Payment for Services:**

All dental treatments must be paid in full at the time of service unless prior financial arrangements have been made. Once payment is made and the treatment has been accepted, no refunds will be given.

4. **In Case of Disputed Treatment Outcomes:**

In the rare event of a treatment outcome dispute, our office will make every effort to review and address the situation with the patient to reach a satisfactory resolution. However, refunds will not be issued as part of this resolution.

5. **Warranty of Services:**

Certain dental treatments may come with warranties or guarantees for specific time periods. These warranties apply to the repair or replacement of the treatment but do not include refunds.

This policy is in place to ensure that all parties understand their rights and responsibilities regarding dental services provided by Engle Dentistry or any one of its affiliates. By receiving dental treatment at our office, you acknowledge and agree to this no-refund policy.
